

Everybody Say Peace

Verse 1

We come from many places.
We speak a thousand ways
But we still can join together
And help make brighter days!

Every body say "**Peace**"
Say, "**Hei-wa**"
Say, "**Salam**" to every boy and girl.
Everybody say "**Mir**"
Say "**Dohiyi**"
Everybody join hands in a circle
'round the world!

Verse 2

We all can lift our voices.
Together we can sing.
And in all our different languages,
Let peace and freedom ring!

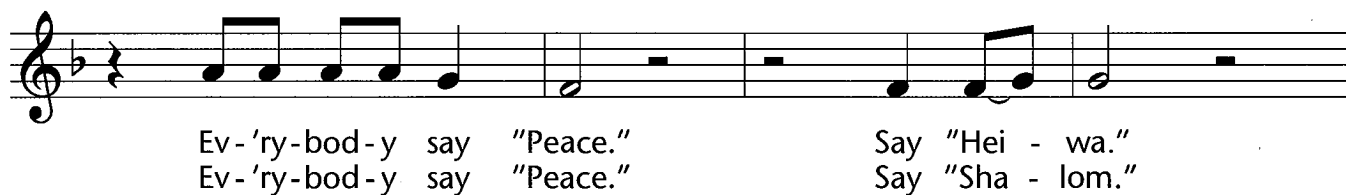

Everybody say "**Peace**"
Say "**Shalom.**"
Say, "**Shanti**" to every boy and girl.
Everybody say "**Paz**".
Say, "**Amani**"
Everybody join hands in a circle 'round the
world

Ev'rybody Say Peace

All over the world people speak in different languages.
Some sound very strange to us. But there is one word
that sounds beautiful coming from any tongue.
All around the world the word we love is "peace."
