Run for Rock Ridge

Rock Ridge, you totally ROCKED IT!!! Thank you so much to all the students, parents, and staff. Thank you for all the support and contributions to our first annual Run for Rock Ridge. Our approximate net profit is over **\$26,000**, which is about \$9,000 more than last year. One of the biggest benefits is how much fun we have had during this event. The teachers and staff ran, raced each other, and still had energy to start spontaneous dance parties with the kids after the run. One of the highlights was seeing so many students who spent their lunch recess cheering on other classes. Our Rock Ridge community is amazing. We would like to say a special thank you to the Run for Rock Ridge committee, our teachers, staff, and administration. This fun filled event would not have been possible without your contributions!
